WELCOME TO THE CHIRALITY WALK

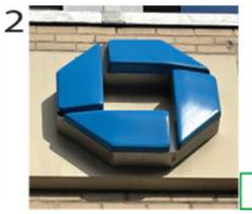

Your challenge is to check off these 14 chiral/dissymmetric sites as you spot them along the route drawn in green on your way to get food and drink. Each checklist turned into Bart Kahr or Stephanie Lee will serve as a raffle entry for a grand prize.

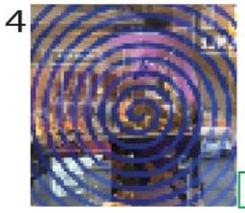

Scavenger hunt rules:

1. Check off each site you find in the box next to its picture on this sheet.
2. Turn in your sheet to Bart Kahr or Stephanie Lee upon arriving at the Frying Pan.
3. There will be more prizes for the best photos of additional instances of chirality found on the walk not pictured here.
4. Please email all scanvenger hunt photos to chirality2025@nyu.edu with the subject: chiralitywalk.
5. Do not forget to include your name and email on the bottom of this sheet. Happy hunting!
